Explanation of Search Logic

A qualification enrolment is counted when:

- A student is enrolled in an enrolment which is linked to a qualification AND

- There is a result for at least one of the units / modules enrolment AND

- The result has been set up to be included in AVETMISS reports (Configuration Manager) AND

- For at least one of the units / modules in the enrolment:

    ~ The start date or finish date for the unit's result is in the selected year OR

    ~ The start date and finish date for the unit's result span the selected year

- WA outcome '105' (Not Yet Started) is not counted.

- Qualification must have CCQI reporting checkbox ticked in the Qualification Manager.

- If a Qualification has its 'Award based on' field set, then the 'parent' Qualification is reported.

Qualification completions

- Client has a Certificate type Award with a recorded date in the year selected.

- Qualification must have its CCQI reporting checkbox ticked in the Qualification Manager.

- If a Qualification has its 'Award based on' field set, then the 'parent' Qualification is reported.
