

## Spotters' Course - Pre-requisites

---

The following are the course pre-requisites for students enrolling in the Spotters' Course:

1. Current and appropriate First Aid Certificate Level 2,
2. Crane Operators must have the relevant Dogman/Riggers Certificate,
3. A relevant and valid WorkCover Certificate of Competency for the type of machinery the applicant will be observing as a Spotter, **OR**,

If the machinery does not require a Certificate of Competency, the applicant must have proof of training for the type of machinery they will be overseeing as a Spotter,

4. Must not have been refused entry into a Spotters' Course by any other training provider,
5. Must have the ability to implement a Job Safety Assessment (JSA).

Students who enroll in refresher training will need to provide evidence of the above pre-requisites. If you need further information please contact the office on 03 9737 0555.
