Duration

This is a 2 day course

Course Outline

The units to be delivered in this course:

AHCARB205A – Operate and maintain chainsaws & FPICOT2239A – Trim and cut felled trees

This course is suitable for both experienced and non-experienced chainsaw operators.

It has been designed to develop or increase skills in operating chainsaws safely and efficiently in a range of common work situations including when trimming and cutting felled trees.

This course includes:

- Chainsaw Safety – including workplace health and safety, hazard and risk management and PPE selection and use.
- Chainsaw Preparation and Maintenance – including cleaning, maintaining and servicing chainsaws as well as chain tensioning and chain sharpening.
- Chainsaw Operations – including start-up and shut-down procedures, saw selection, cutting methods and general chainsaw operation.
