

Arbortrim Australia Pty Ltd Subcontracting Arrangements

Arbortrim Australia Pty Ltd “Arbortrim” occasionally engages trainers/assessors with industry expertise under subcontracting arrangements.

Subcontracting applies when you engage either a business, or a person operating under a business structure, to carry out Training Services on your behalf.

All training and assessment services at Arbortrim are delivered by trainers/assessors who hold relevant qualifications and meet the standards required by ASQA, including those trainers/assessors who are engaged with Arbortrim under these subcontracting arrangements.

Where a trainer/assessor is engaged by Arbortrim through a subcontracting arrangement, the arrangement complies with any relevant funding contract. Arbortrim will not subcontract any training and/or assessment without relevant approval.

All subcontracted trainers/assessors are monitored and managed in exactly the same way as our other trainers/assessors. Any student who receives training and assessment from a trainer/assessor who is engaged with Arbortrim as a subcontractor is enrolled with Arbortrim and not with the subcontractor. Arbortrim does not have any third-party arrangements for the delivery of brokering services and does not subcontract any aspect of the pre-training review.

The current trainers/assessors who are engaged with Arbortrim under an approved subcontracting arrangement are:

Individual Subcontractor Identity	Role
Innacare Pty Ltd	Trainer/Assessor
Gardens of Delight	Trainer/Assessor
Arbortryst Pty Ltd	Trainer/Assessor
